

UNITED KINGDOM POOL SERIES MSRP PRICE LIST

POOL SERIES offers unrivaled design and installation flexibility. The modular free-standing pools include a swim current generator with acrylic water return channels (Sapphire or Platinum), water quality system (skimmer/filter, copper/silver pool water purifier, electric heater/controller and circulating pump), floating solar cover, durable liner membrane, and aqua aerobics exercise bar.

Original Endless Pool® ... our single-propeller, 5-hp system stands head and shoulders above any other swim current on the market. It's wider than your body, deeper than your stroke, and easily adjusts from a gentle flow to a vigorous 1:14/100m pace.	£18,300 (exVAT)
Performance Endless Pool® ... offers a faster, smoother swim current. The custom-designed system uses 2 propellers to create a more efficient current that is wider and deeper than our standard system and produces a top speed of 1:11/100m.	£19,900
High-Performance Endless Pool® ... maxes out at a competitive 1:00/100m pace. With its 7.5-hp motor and upgraded pump (both standard), this model is both quieter and more powerful. It's the pool of choice for triathletes and other serious swimmers.	£22,300
Elite Endless Pool® ... for the highest caliber swimmers. With a 7.5-hp motor and upgraded swim system, 2 underwater propellers, and a larger 24" x 18" (61cm x 46cm) outlet, it's 0:56/100m pace is the fastest, smoothest current available in any swimming machine. 8' x 14' x 39" swim area (2.44m x 45.93m x 1m swim area).	£25,300
Dual Propulsion Endless Pool® ... features two independent swim currents for those who wish to swim side-by-side. Standard 13' x 14' (3.96m x 4.26m) up to maximum 16' x 16' (4.88m x 4.88m).	£26,300
